

YoungLives Camp Childcare

A Mission Trip Like No Other!

What? For 30 years, YoungLives has reached adolescent parents by going into their world, modeling the unconditional love of Christ, and encouraging them to become the people and parents God created them to be. Each summer pregnant and parenting adolescent moms and their children head to camp to experience the gospel. This is possible because individuals go to spend a week caring for babies and children at camp. This year at Lake Champion there will be approximately 17 nurseries to care for approximately 200 babies, so the need is for at least 100 childcare workers!

When and Where? August 4-9, 2024 at Lake Champion Young Life Camp in Glen Spey, NY

How much? \$690 includes all meals and housing and is considered a tax-deductible donation.

Who? Both men and women are needed with no maximum age! The minimum age is 14: 14 & 15 year-olds must come with a parent or guardian, 16 & 17 year-olds can come with a parent, an adult leader, or as part of a group.

What else? There will be daily worship, Bible study and prayer led by our YoungLives team. Family style meals with option for special diets (see application) are provided three times a day. In addition, there will be ample free time to enjoy the amenities of Camp such as the pool, slides, zip-line, lake activities, gym and game room. Childcare volunteers stay in dorm-style cabins with bunks and shared yet private bathrooms. Due to camp sizes, we cannot accommodate married couples together. Childcare volunteers sleep separately from the campers and babies.

Note:

****Training will be in person on August 4 as you will arrive a day before campers. During this time, you will also help with set-up of the nurseries.**

****Packing: comfortable clothing and shoes, toiletries, light jacket, pool towel, extra cash for snack bar and store. Bedding and bath towel are provided.**
