

40 Days of Prayer

February 23-April 3, 2026

Since we believe God is leading us to be “Reaching Forward” for what He is doing in our lives personally and as a church family for 2026, and beyond, we want to seek Him for that in prayer. So, we’re entering a time of 40 Days of Prayer (Feb 23-Apr 3). We’ll seek God, prepare for Easter, pray for others to turn to Him during this time of year, and with God’s help “reach forward” for what He is planning to do in, through, and beyond us.

Here are a few things to help you best use this guide:

*Include it as part of your daily prayer time.

*Record what day you prayed and what you prayed for yourself and others using this guide. You might find it helpful to see how God answers these prayers and be able to record when and how He did.

*Make a plan to fast one or more days/times over this 40 day period.

Biblical fasting is where we go without something (typically food) for the purpose of seeking the Lord during that time. So the times that you would normally be doing what you are fasting from (like meal times) can be great times to spend praying.

Brethren, I do not regard myself as having laid hold of it yet; but one thing I do: forgetting what lies behind and reaching forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus.

-Philippians 3: 13-14
